Conformity declaration

According to the european legislation REACH 1907/2006 - 830/2015 EC (Registration, Evaluation, Authorization of Chemicals) and annex EU directives 2011/65/EU (RoHS 2) & 2015/863 (RoHS 3)

Base of the conformity declaration of ISC Plastic Parts, S.L.

Our firm ISC is aware of what states the new REACH european legislation according to which ISC Plastic Parts an INTERMEDIATE USER according to article 13, and for this reason our firm has no obligation to register its products, it is only compelled to guarantee that the substances have been registered. Our responsibility is stated in the paragraph VI, articles 31 to 36 (information in the supply chain) and in paragraph V, articles 37 to 39 (Downstream users) and we declare that we are completely aware of our obligations and of the need to meet the REACH regulation.

At the end of 2008 we contacted our suppliers to know their situation and their intentions about the respect of the mentioned legislation. They all said that they pre-register or have the intent to pre-register their products to guarantee the respect of the REACH regulation.

ISC states that it is its responsibility that its products meet the norms of the REACH legislation. None of substances that appear in the list of SVHC, "Substances of Very High Concern" (issued by the ECHA European Chemicals Agency) can be found in a concentration higher than 0,1% of its weight. If a new contaminant is added to the list, we will meet our obligations of information, according to the article 33 of the REACH agreement.

REACH responsible: F. Alcalde – Text revision: january 2025

IMPORTANT: this declaration is based on the information received from our suppliers, ISC Plastic Parts will assume no responsibility for the validity of the information.
